Ms. Dougherty:

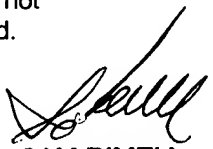

Pursuant to your request for clarification, the response to the last action depends upon whether an amendment was intended to be submitted.

If an amendment was intended to be submitted, the response should be a supplemental amendment.

If no amendment was intended to be submitted, the response should be a request for reconsideration with a statement that no amendment was included.

The documents stated by the Examiner as not being received may be attached to the response. They do not need to be submitted in a separate paper. No fees are required if the response is within the 30 day period.
